Get Ready Queensland schools competition

Queensland is the most disaster impacted state in Australia, and every year experiences a range of disaster events including storm, flood, cyclone, storm-tide, bushfire and heatwave.

The Get Ready Queensland preparedness activity sheets can provide students of year levels 3 and 4 with curriculum links and classroom learning relating to:

- Health and physical education
- Critical and creative thinking
- Humanities and social sciences.

Year	Achievement Standard	Content descriptions	C2C
3 and 4	Australian Curriculum: Health and Physical Education	Australian Curriculum: Health and Physical Education Understanding personal, social and community health <ul style="list-style-type: none"> • Explore strategies to manage physical, social and emotional change (ACPPS034) • Discuss and interpret health information and messages in the media and internet (ACPPS041) 	Students describe connections they have to their community and identify local resources to support their health, wellbeing, safety and physical activity.
3 and 4	Australian Curriculum: Critical and creative thinking	Australian Curriculum: Critical and creating thinking Understanding critical and creative thinking <ul style="list-style-type: none"> • Seek solutions and put ideas into action 	Students use decision making and problem solving skills to select and demonstrate strategies that help them stay safe, healthy and active.
3 and 4	Australian Curriculum: Humanities and Social Sciences	Australian Curriculum: Humanities and Social Sciences Inquiry and skills <ul style="list-style-type: none"> • Reflect on learning to propose actions in response to an issue or challenge and consider possible effects of proposed actions 	Students compare the climates, settlement patterns and population characteristics of places, and how these affect communities, past and present.
