

MY PET EMERGENCY KIT

Draw a picture of your pet/s inside the photo frame, including their favourite toy for your Pet Emergency Kit.

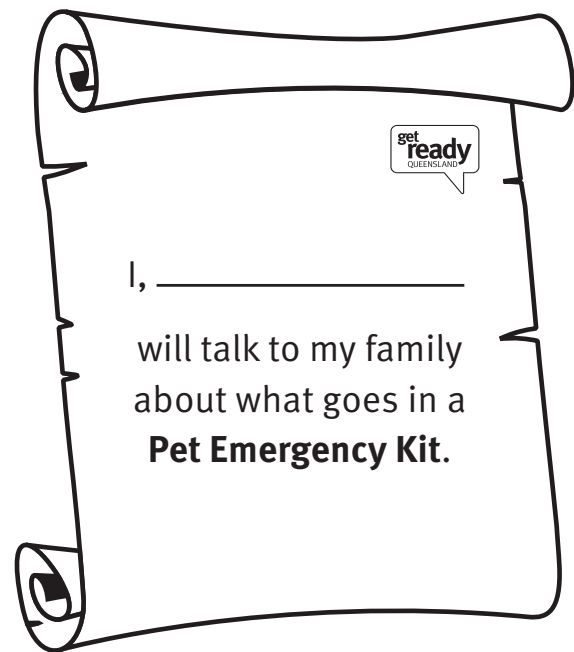

In an emergency, pets are often the most vulnerable member of the family. Your **Pet Emergency Kit** contains the following essential items to help keep your pet safe for at least five days.

- Food and bottled water
- Medicines
- Collar with ID tag and leash
- Bedding and blankets
- Shelter and carriers
- Litter tray and cleaning products
- Important documents (registration, medical, insurance)
- Toys

Remember to talk to your family about understanding local risks and being prepared.
