

# MY PET EMERGENCY KIT

Draw a picture of your pet/s inside the photo frame, including their favourite toy for your Pet Emergency Kit. As a group discuss how and where you would evacuate your pet to if there was an emergency. What if you can't find your pet and you need to evacuate. What would you do?

In an emergency, pets are often the most vulnerable member of the family. Your **Pet Emergency Kit** contains essential items to help keep your pet safe for at least five days. Can you list the essential items for your Pet Emergency Kit.
