

MY HOME PREPARATIONS

Colour in the picture of your working bee and draw all the people who will be helping prepare your home for the disaster season. Who is responsible for what jobs when it comes to preparing your home for disaster season?

Maintain your garden and home to prevent unnecessary damage caused by severe weather. There are different ways to prepare your home, depending on the disaster risks in your area. Here is a checklist to support you with your **Home Preparations**.

- Clean gutters and downpipes
- Remove garden waste
- Trim trees and overhanging branches
- Secure loose items (umbrellas and trampolines)
- Pack your Household Emergency Kit

Remember to talk to your family about understanding local risks and being prepared.
