Get Ready Queensland Week kicks off today 😊 and is your chance to get yourself, your family and your property ready ahead of disaster season.

Step 1: Understand your risk

Step 2: Make an emergency plan

Step 3: Pack an emergency kit

By following these simple steps you can best prepare for whatever Mother Nature throws our way.

If a flood 🌊 storm 🌩️ cyclone 🌀 or bushfire 🔥 happened where you live, would you be ready?

That's a question every Queenslander needs to ask themselves ahead of disaster season.

Understand your risk. Make an emergency plan. Pack an emergency kit.

This week is Get Ready Queensland Week and a great time for your household to prepare for potential natural disasters.

**Comment:** Head to [getready.qld.gov.au](http://getready.qld.gov.au) for info, resources and more.

- ☑ Understand your risk
- ☑ Make an emergency plan
- ☑ Pack an emergency kit

It's Get Ready Queensland Week right now – an opportunity for you to prepare for disaster season.

**Comment:** Need guidance to get ready? Go to [getready.qld.gov.au](http://getready.qld.gov.au)

Queensland is the most disaster-impacted state in Australia, which is why it's so vital that Queenslanders get ready ahead of #stormseason.

- ✓ Understand your risk
- ✓ Make an emergency plan
- ✓ Pack an emergency kit

This week is #GetReadyQueensland Week and a golden opportunity to prepare yourself, your loved ones and your property for the threat of #naturaldisaster.

Get ready for disaster season in three easy steps 👍

Step 1: Understand your risk

Step 2: Make an emergency plan

Step 3: Pack an emergency kit

It's #GetReadyQueensland Week right now and the right time to prepare for extreme weather like #floods, #cyclones and #bushfires.

Are you ready for when extreme weather strikes?

During this #GetReadyQueensland Week, we're asking all Queenslanders to get themselves and their properties prepared for the upcoming #stormseason 🤝

So please, understand your risk, make an emergency plan and pack an emergency kit

Head to [getready.qld.gov.au](http://getready.qld.gov.au) for information and resources.
