- Torres Strait
- Woorabinda
- Wujal Wujal
- Yarrabah

Aboriginal and Torres Strait Islander communities rank their disaster risks

Scale of 1 to 10 (0 is unlikely and 10 is extremely likely)

DISASTER PREPAREDNESS BEHAVIOURS

24% are registered for emergency notifications

82% have an emergency kit

77% have an emergency plan

39% have building and/or contents insurance

3 STEPS TO GET READY

Go to www.getready.qld.gov.au to make your emergency plan.

Having a plan means your household is ready for extreme weather, with important contacts and household information that is right for you, your family, your pets and your property.

1. Understand your **risk**

2. Prepare a **household emergency plan**

3. Pack an **emergency kit**
