

GET BUSINESS READY

getready.qld.gov.au

- 1 Check your flood, storm or bushfire risk using local council maps.
- 2 Bookmark your local council disaster dashboard.
- 3 Turn on weather alerts from the BOM and your local council.
- 4 Save emergency contacts like SES, council, utilities, and insurers.
- 5 Prepare for power or internet outages.
- 6 Decide how you will contact staff and customers during disruptions.
- 7 List the three things your business cannot operate without.
- 8 Back up important files and store key documents safely.
- 9 Check your building for things that could fail in severe weather.
- 10 Practise one emergency scenario with your team.
