- 1 Having a household emergency plan means that everyone in your household knows what to do when severe weather happens.
- 2 The plan should have important contact information for people in your home or people who can help you.
- 3 A plan can also include ways to get your home ready for bad weather and information on where to go if you have to leave.
- 4 A plan for you to use can be found at **www.getready.qld.gov.au**
